The academy division is designed for inexperienced riders who are to be judged on their basic riding skills. Horses are to be school or academy type horses. Riders/drivers may not cross enter in any other classes and must have only shown in academy classes at other shows. No riding suits allowed and only jodhpur pants, boots, and vests are suggested. Helmets are encouraged. Horses may cross enter in other classes at the show with a rider that is not in the academy division. Academy classes will be split if more than 8 entries. It is the responsibility of the trainer or instructor to provide horses for their riders.

Note: Riders showing in no canter classes cannot enter in a canter class; however, the horse may enter in a canter class with a different rider.
